Recent events

Tunnel Vision in the Classroom: Are we overlooking visual perceptual difficulties in children with additional support needs?

This webinar for parents, carers and teachers was very well received (21st may 2026).

'Brilliant webinar' (parent)

'It needs sharing with all QTVI teams' (specialist teacher)

Patient experience in wet AMD clinics

I had the opportunity to represent the Macular Society during Oculus Regional Meeting (Roche) in Dunblane (05.06.26)

Website

New blog series:

Certification and registration

I started a new blog series about certification and registration of sight impairment:

https://www.cirtatooth.co.uk/blogs/blogs-for-professionals/certification-and-registration/3219495_blog-1-eligibility-criteria-for-certification-of-sight-impairment

CVI assessments can be booked by contacting info@cirtatooth.co.uk
